SOLFEGGIO for Beginners I

CALIFORNIA MUSIC CONSERVATORY - EASY MUSIC SCHOOL

Reading & Writing Music - OFFICIAL LEVEL ONE

The best way to really learn how to read and write music.

Now you have 5 notes, introducing the note Sol, is on the second line, always with the treble clef first. Timing is really slow and the notes are two counts each, so it goes pretty slow, but you should be able to do it. If you don't understand this, or is too difficult, go to lower levels.
