I Write The Songs

Words and Music by Bruce Johnston

I've been alive forever,
My home lies deep within you,
and I've got my own place in your soul.

I put the words and the melodies together, I am through your eyes, I'm music, and I write the songs,
young again, even though I'm very old.
I write the songs that make the whole world sing;
I write the songs of love and special things.

I write the songs that make the young girls cry;
I write the songs, I write the songs.

Oh, my
music makes you dance and gives you spirit to take a chance.

And I wrote some rock 'n' roll so you can move.

Music fills your heart, well, that's a real fine place to start. It's from me.

it's for you, it's from you, it's for me, it's a world wide symphony... cresc.
